# TAE SKILL SETS

## BUILD YOUR SKILLS, ONE SET AT A TIME

### TAE Skill Sets – Nationally Recognised & Industry Relevant

Skill sets are short, focused training programs made up of one or more units of competency from nationally recognised qualifications. They are ideal for learners who want to upgrade specific skills without committing to a full qualification.

At SGSCC, we offer a selection of TAE Skill Sets designed for trainers, assessors, and educators across industries. These skill sets are perfect for current professionals looking to sharpen their expertise, meet compliance requirements, or expand into new areas of vocational education and training.

Each skill set includes nationally recognised units and leads to a Statement of Attainment.

All skill sets are delivered online with live trainer support.

**Cost: \$850 per skill set**

## AVAILABLE TAE SKILL SETS:

### TAESS00026 - FOUNDATION SKILLS INTEGRATION SKILL SET

#### Empower your learners by building their foundation skills.

This skill set is designed for VET trainers and assessors who want to confidently support learners with their reading, writing, numeracy, digital, and employability skills during training and assessment. You'll gain practical strategies to identify foundation skill needs and integrate support directly into your training sessions - helping your students succeed in both learning and work. Perfect for trainers delivering accredited courses or those looking to enhance inclusive practice across all industries.

### TAESS00027 – TRAINING DESIGN SKILL SET

#### Design with purpose. Deliver with impact.

This skill set is ideal for trainers, assessors, and instructional designers who want to create high-quality, compliant training and assessment resources. Learn how to align your materials with nationally recognised training requirements and support diverse learner needs. Whether you're writing programs for your team, your organisation, or your own delivery, this course equips you with the tools to design engaging, effective, and standards-based training that makes a difference.

### TAESS00020 – WORKPLACE TRAINER SKILL SET

#### Train with confidence. Make a difference at work.

This skill set is designed for individuals who deliver on-the-job training - whether formal or informal. If you're supporting staff, mentoring team members, or running toolbox talks, this course will give you the practical tools to train effectively in the workplace. You'll learn how to plan and deliver training for individuals or small groups, helping others grow their skills while supporting your team's success.

### TAESS00019 – ASSESSOR SKILL SET

#### Assess with clarity. Support learner success.

This skill set is perfect for those who want to develop the skills and knowledge to assess competency in line with national Vocational Education and Training (VET) standards. Whether you're new to assessing or formalising your skills, this course gives you the confidence to conduct assessments professionally and fairly. You'll learn how to plan, conduct, validate, and review assessments to support learners and ensure compliance with training package requirements.

### TAESS00024 – VET FOR SCHOOL STUDENTS: TEACHER ENHANCEMENT SKILL SET

#### Equip your students for the future. Upskill with VET expertise.

This skill set is designed for qualified secondary school teachers (Bachelor of Education or higher) who want to confidently deliver VET (Vocational Education and Training) programs to school students. You'll gain practical knowledge in training design, assessment, and the VET framework, helping you support your students with industry-relevant, career-focused learning. Perfect for teachers looking to add nationally recognised VET capability to their professional toolkit.

## WHY CHOOSE A SKILL SET?

- Focused, time-efficient, and nationally recognised
- Delivered 100% online with live trainer guidance
- Build toward a full qualification at your own pace
- Perfect for professionals, part-time learners, and upskillers

## TRAINEESHIPS - LEARN. WORK. GROW.

Traineeships are a powerful way to gain nationally recognised qualifications while you work. Whether you're new to the workforce or upskilling in your current role, a traineeship offers the unique advantage of learning on the job, while being supported by experienced industry trainers.

**At SGSCC, we make it easy and flexible.**

### For the Employee:

- **Earn while you learn** – Apply your learning in real time in your workplace.
- **Flexible delivery** – Your trainer comes to you or connects with you online.
- **Tailored support** – Your trainer becomes your personal coach and mentor, guiding your development and growth.
- **Nationally recognised qualifications** – Open doors to career progression and new opportunities.
- **Real-world relevance** – Everything you learn is immediately applicable to your role.

### For the Employer:

- **Upskill your team with minimal disruption** – Training is delivered in the workplace or online to suit your operations.
- **Customised learning plans** – Aligned to your business needs and staff development goals.
- **Boost productivity and staff retention** – Trainees are motivated, engaged, and more confident in their roles.
- **Access to government funding and incentives** – Save on training costs while investing in your workforce.

### How It Works:

1. Choose the qualification that suits the role.
2. We handle the paperwork – including training contracts and enrolments.
3. We train on-site or online – supporting both the trainee and the employer every step of the way.

**Traineeships are available in a wide range of industries including Aged Care, Early Childhood, Business, Community Services, and more.**

# PROGRAMS

## DISABILITY GROUP PROGRAMS

**Unlock Your Potential – Join Our Disability Group Programs!**

**Are you or someone you know an adult with an intellectual disability looking for meaningful and enriching experiences? Our SGSCC Disability Group Programs are here to support creativity, independence, and personal growth in a fun and inclusive environment.**

# SCHOOLAGE TUTORING

SESSIONS

## PRIMARY TUTORING - EXTENSION PROGRAMS - YEARS 2 TO 6

### ENGLISH TUTORING - EXTENSION PROGRAM

Elevate your child's English skills with our advanced extension tutoring for high-achieving students in Years 3-6. This program offers the challenge and enrichment needed for OC and Selective High placement, as well as private school scholarship preparation. Students focus on:

- Advanced reading comprehension to strengthen analytical thinking.
- Mastery of complex grammar, punctuation, and vocabulary for stronger writing.
- Creative and critical writing skills to build confidence and precision.

Equip your child with the advanced skills they need to excel.

Mon 9 Feb 4 - 5pm	8	Hurstville	\$224
Wed 11 Feb 4:15 - 5:15pm	8	Jannali	\$224

### MATHS TUTORING - EXTENSION PROGRAM

Our after-school math extension program supports high-achieving students in Years 2-6 who are ready for greater challenge, including preparation for OC, selective high school, and private school scholarships. Students focus on:

- Advanced problem-solving and critical thinking for complex concepts.
- Mastery of core fundamentals to perform confidently in tests.
- Personalised instruction to strengthen high-level reasoning skills.

Give your child the chance to extend beyond the classroom and achieve their full mathematical potential.

Mon 9 Feb 5 - 6pm	8	Hurstville	\$224
Wed 11 Feb 5:15 - 6:15pm	8	Jannali	\$224

### SELECTIVE HIGH & SCHOLARSHIP TUTORING YEAR 6

This program is designed for high-achieving Year 6 students preparing for the Selective High School exam and private school scholarships in NSW. The intensive course covers:

- Mathematical Reasoning: Advanced strategies to tackle complex problems.
- Reading and Writing: Strong comprehension and effective writing techniques.
- Thinking Skills: Enhanced critical and logical reasoning for challenging questions.

With focused instruction across these core areas, students build the skills, strategies, and confidence needed to perform at their best and earn placement in selective or prestigious schools.
